RCMA'S REAL FOOD MARKETS

(Saturdays in Roath and Sundays in Riverside) are a great morning out for everyone. Bring along the kids, buy some of the best food in Wales and help make a difference to the planet! All the goods on sale have either been grown, raised, produced or made by our stallholders.

PARKING at both markets is limited, but usually available on local streets. At Riverside Real Food Market parking is also available in the nearby Sophia Gardens car park – and we have a supervised bike park at the market!

Both markets are run by Riverside Community Market Association (RCMA). We promote the importance of fresh, locally

produced foods for health, for the local economy, and for protecting the environment. If you would like to become a member or get involved then contact:

mail@riversidemarket.org.uk
Telephone: 02920 190 036
